## The Write Ways Privacy Policy

a. Overview. The Write Way offers a social platform for users to share short stories, online. Users create profiles in which they can enter in information about themselves including a pen name, city, and Country, they also upload their content. By using our platform and software (collectively the "Service") you understand and agree to the terms of this Privacy Policy. You further understand that the Service is a public platform.

b. Applicability and third-party websites and services. This Privacy Policy only applies to the information we collect when you use the Service or view the comments and does not apply to any website that uses the Service or other website linked to from the Service.

We are not responsible for the practices employed by websites linked to or from the Service, including Partner Sites, or the information or content contained thereon. Please remember that when you use a link to go from the Service to another website, our Privacy Policy is no longer applicable, it also does not apply to the Partner Site on which you are commenting. Your browsing activity and interaction with any other website, including those that you link to from the Service, is subject to that website's privacy policy.

c. Children's Privacy. The Service is not intended for use by children under the age of 18.

### 2. THE DATA WE COLLECT ABOUT YOU

A

a. Personal data, or personal information, means any information about an individual from which that person can be identified. It does not include data where the identity has been removed (anonymous data).

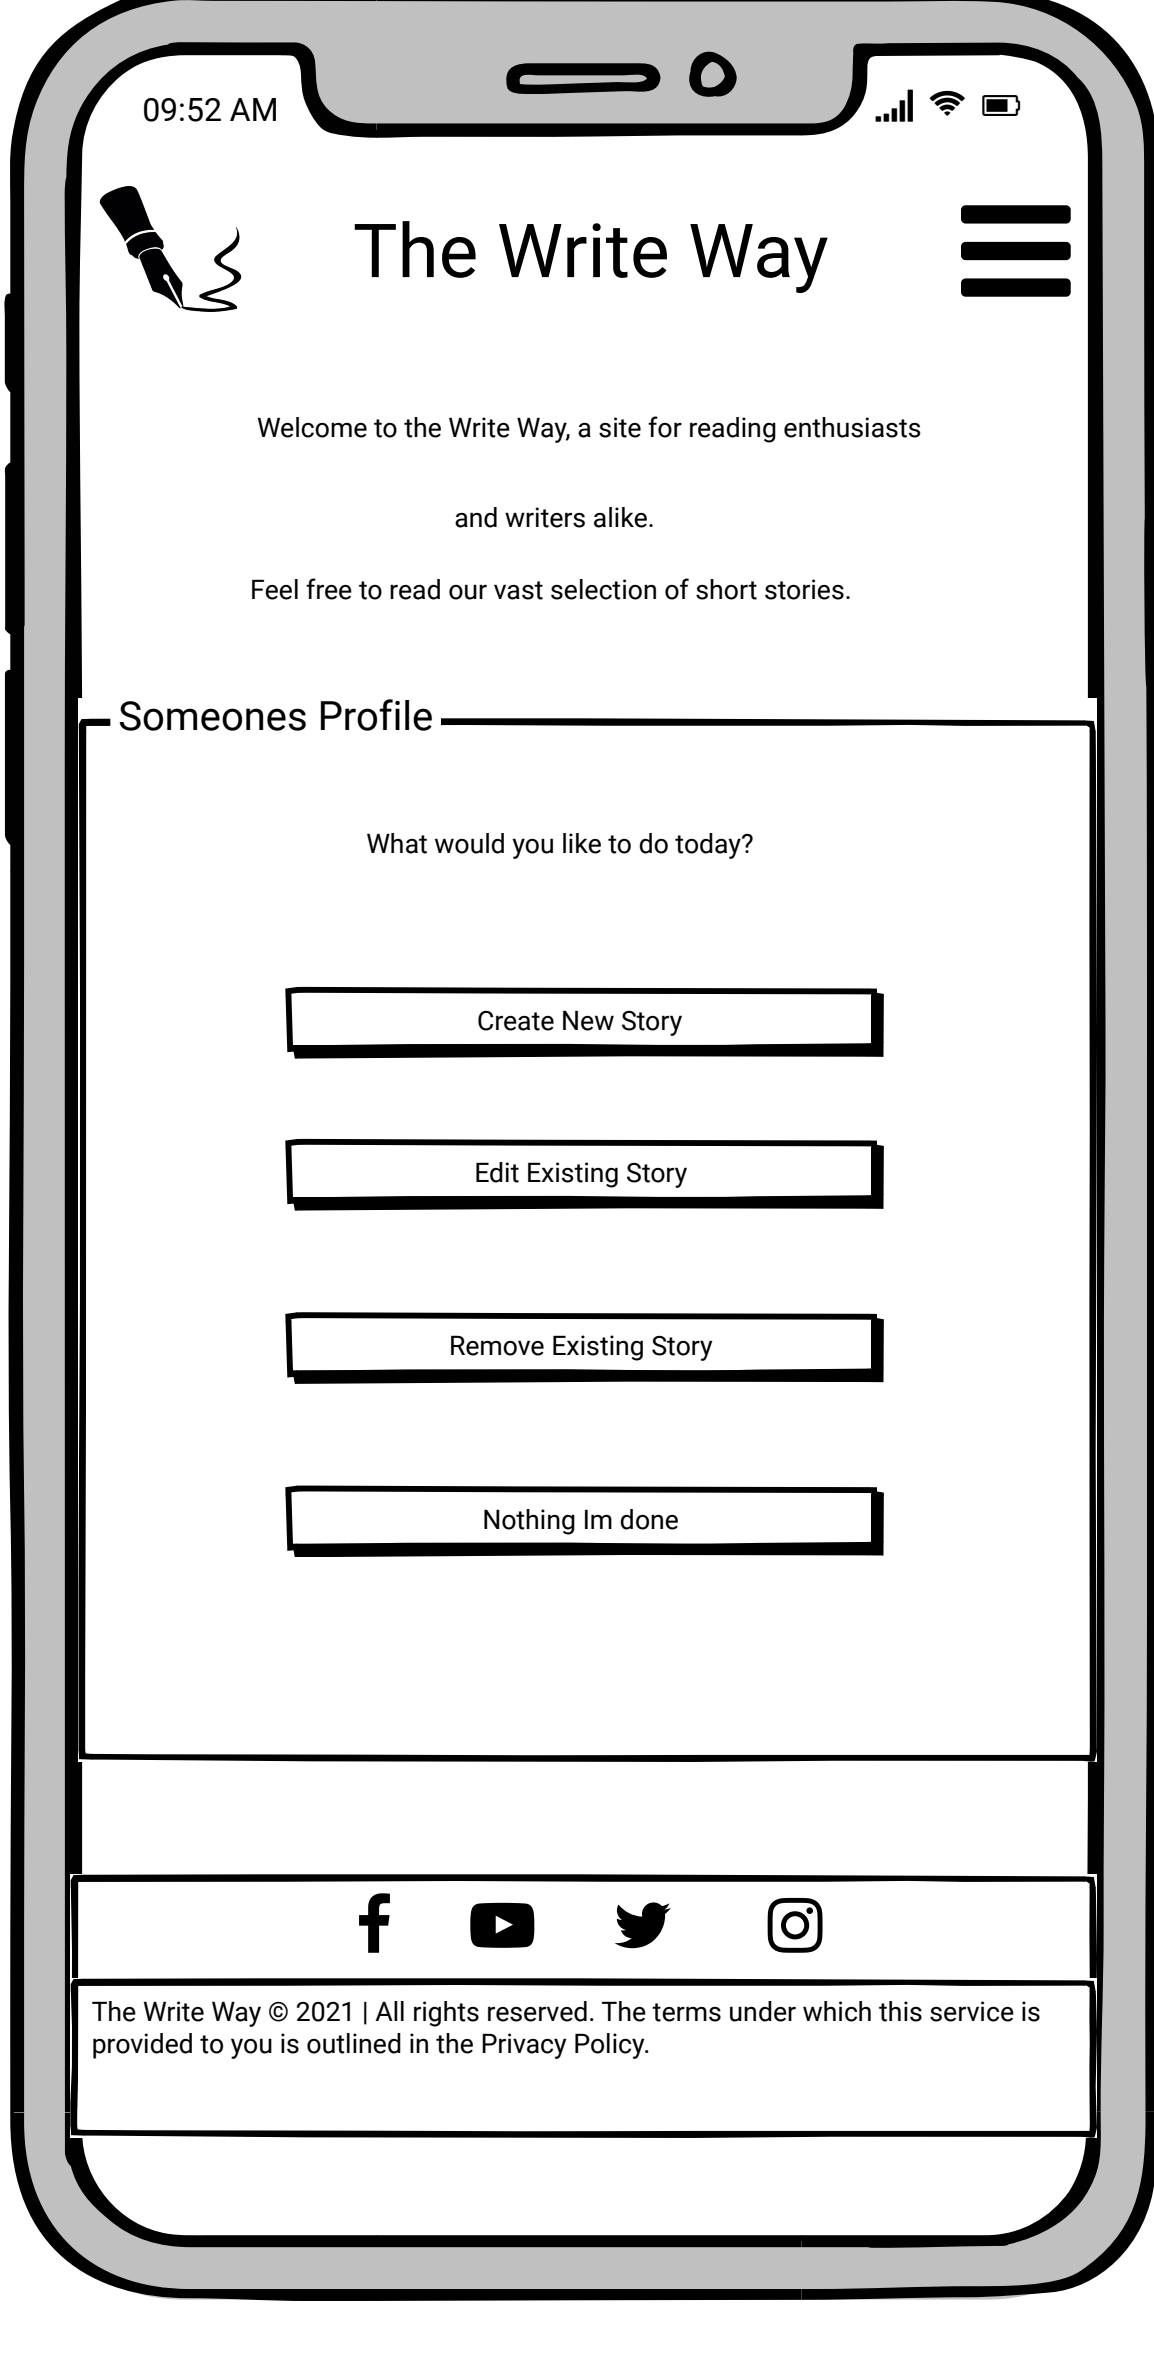

b. We may collect, use, store and transfer different kinds of personal data about you which we have grouped together as follows:

Identity Data includes first name, last name, pen-name or similar identifier. Contact Data includes email address and telephone numbers, and mailing address.

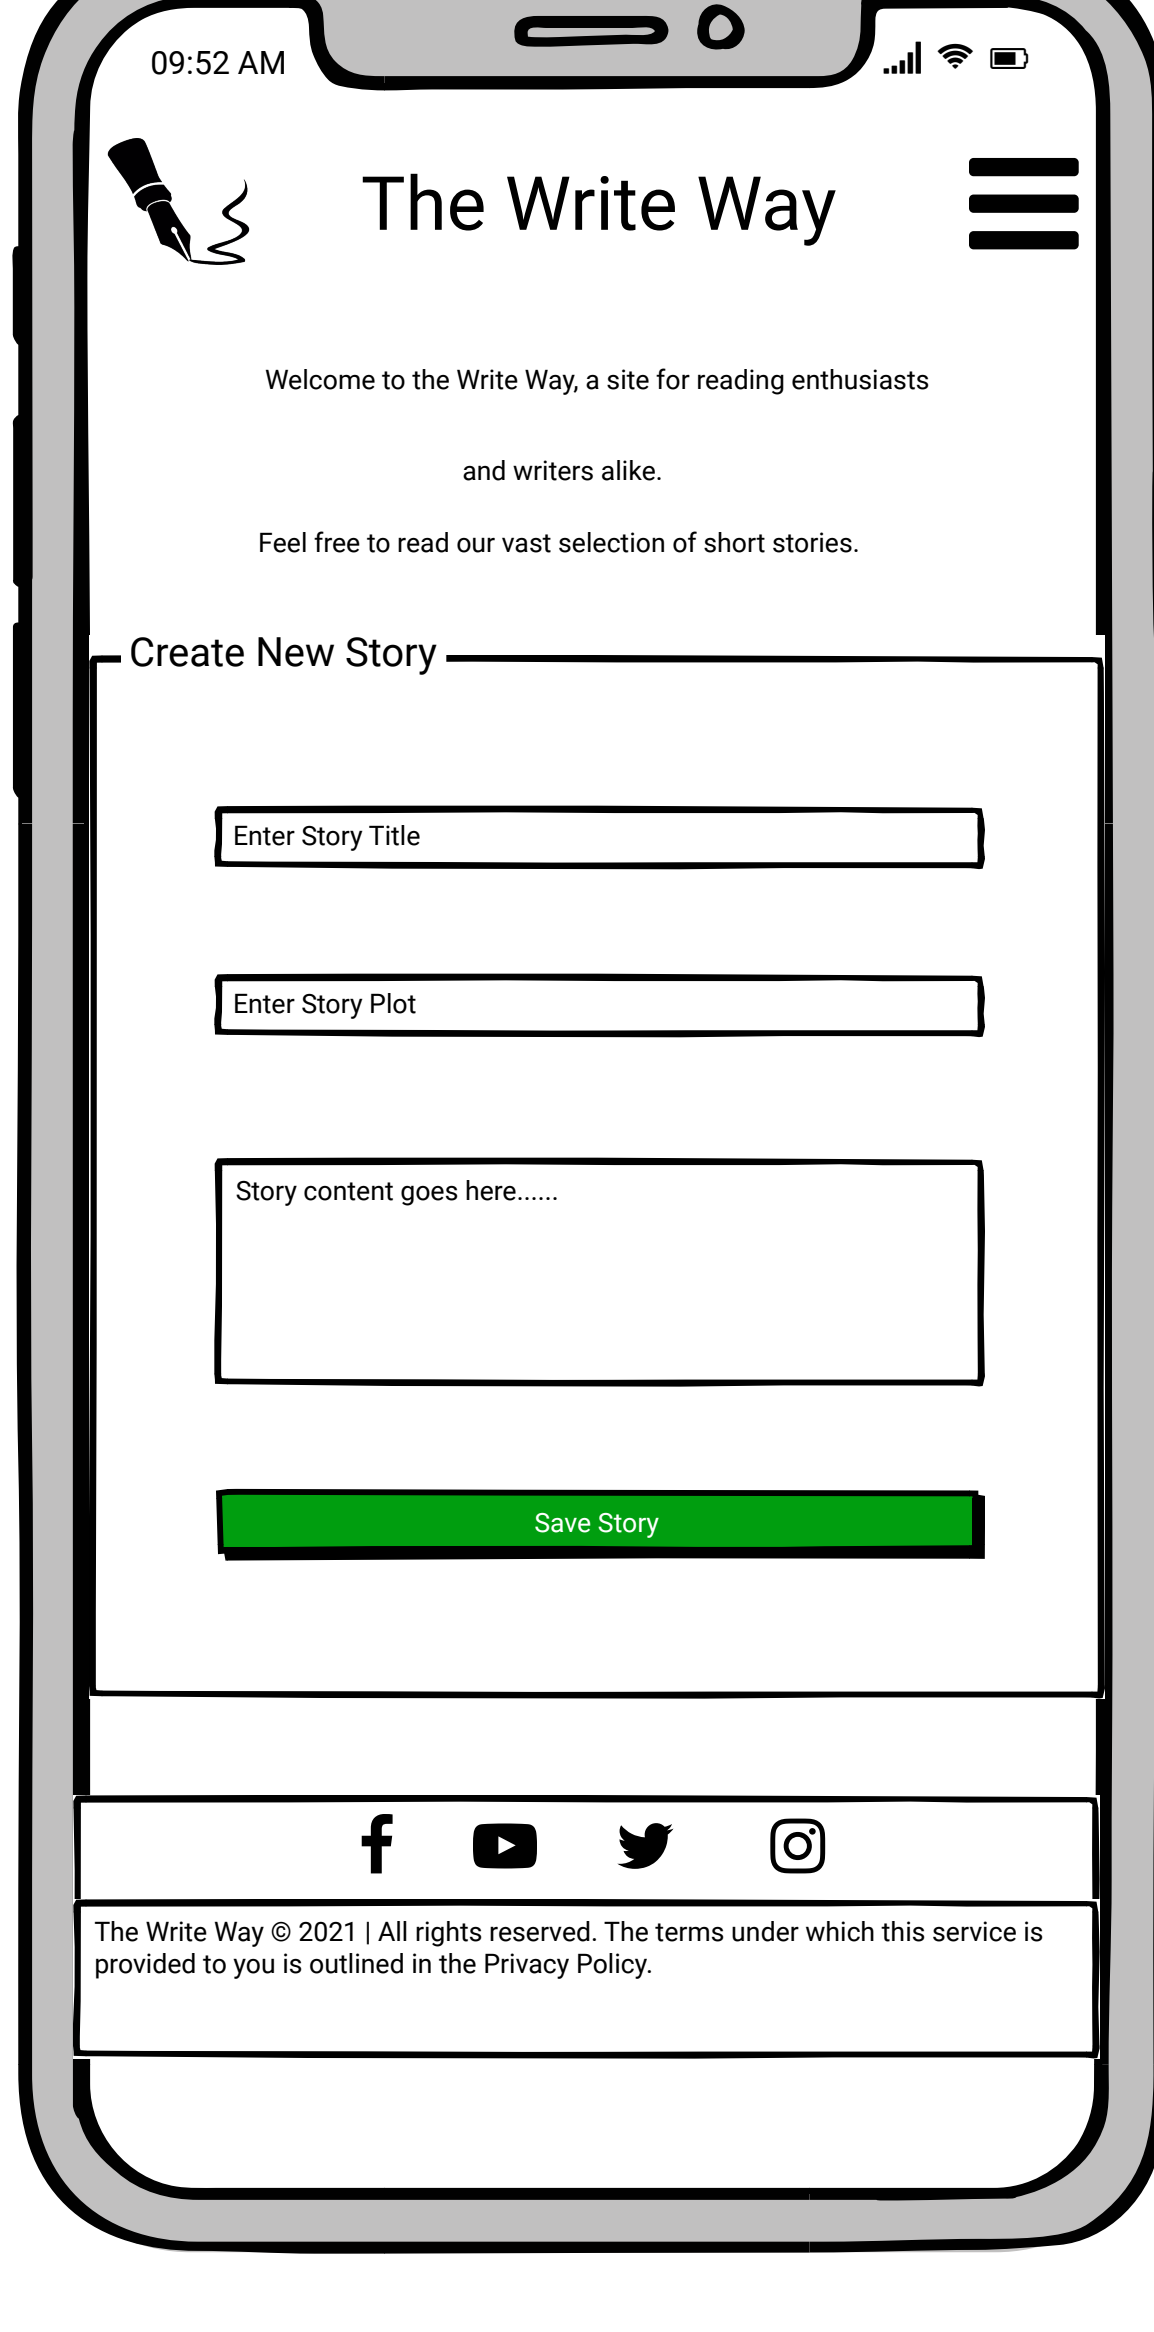

Technical Data includes internet protocol (IP) address, unique Cookie ID, Device ID, your login data, browser type and version, time zone setting and location, browser plug-in types and versions, operating system and platform and other technology on the devices you use to access the Service.

Profile Data includes your username and password, location, preferences and
